Business Owners Advertisement Offer

Being Business Owners ourselves, we understand you need to increase your business income. And we're dedicated to providing you exclusive options to do so.

YOUR ADVERTISING MUST BE ACTIVE FOR A LONG TIME:

Advertising in a newspaper lasts on average one day. Circulars are rarely opened and immediately thrown away. Magazines have a read life of 1 month. On the internet, each print costs you, without any guarantee of a sale or even a visit to your store.

OUR MAGAZINES HAVE A LIFESPAN OF 10 TO 20 YEARS:

Our magazines are saved for a long time by athletes, parents, friends, supporters and sports clubs. Your advertisement therefore remains active for a very long time. Your advertising becomes an investment, not an expense.

ADVERTISING OPTIONS:

We also provide Pamphlets, Postcards, and Neighborhood Mailings for maximum exposure.

WE FORCE VISITS TO YOUR BUSINESS:

Readers must go to your business to receive their free copy of the magazine. They must go to Advertisers and distribution points to pick up their free copies.

MAGAZINES ARE FREE:

Our magazines are free so they can increase the visibility of your advertisement. You will receive as many magazines as you want to distribute them in your store or business.

INDUSTRIES INVOLVED:

Advertisement opportunities to all services/products offered to Youth, Children, Parents and Grandparents regardless of the industry: Clothing, Dentists and Medical Services, Real Estate, Sales, Restaurants and Hotels, Sports Services, Nutritionists, Social Services & more

We don't publish professional athletes; we publish sports youth and sports enthusiasts. Our magazines are especially dedicated to the promotion of young athletes. A magazine they will proudly keep for a long time; a witness to their Talent. Your ad Supports Local Talents.

NATIONAL DISTRIBUTION WITH LOCAL TALENTS:

Our Mission is to Encourage Local Talent, Recognize Achievement, Promote Self-Esteem, and to provide a platform for athletes to express themselves & tell their Dreams, Objectives, Challenges and Achievements. Those athletes are your local talents and customers.

Thanks for supporting your Local Talents with your Advertisement.
