Corporations Advertisement Opportunity

To The Advertising Department,

ATHLETES MAGAZINE is your best option to increase your exposure, business, brand and to become an active player in the community.

Advertising in the **ATHLETES MAGAZINE** is accessing directly your potential customers, and forcing them to go to your outlet stores to get their FREE Magazine.

NATIONAL DISTRIBUTION WITH LOCAL TALENTS:

Our Mission is to Encourage Local Talent, Recognize Achievement, Promote Self-Esteem, and to provide a platform for athletes to express themselves & tell their Dreams, Objectives, Challenges and Achievements. Those athletes are your local talents and customers.

We don't publish professional athletes; we publish sports youth and sports enthusiasts. Our magazines are especially dedicated to the promotion of young athletes. A magazine they will proudly keep for a lifetime; a witness of their Talent. Your ad Supports Local Talents.

DOES YOUR ADVERTISEMENT MONEY GO TO THE RECYCLE BIN ?

Advertising in a newspaper lasts on average one day. Circulars are rarely opened and immediately thrown away. Magazines have a read life of 1 month. On the internet, each impression costs, without any guarantee of a sale or even a visit to your store.

OUR MAGAZINES ARE ACTIVE FOR A LIFETIME, LIFESPAN OF 10 - 20 YEARS:

Our magazines are safeguarded for a lifetime by athletes, parents, friends, supporters, sports clubs and sports enthusiasts. With us your advertisement is a long term active investment.

WE FORCE VISITS TO YOUR OUTLETS:

Readers must go to your Outlets and Point of Sales to receive their free copy of the magazine. The magazines are not given directly to the public. They must be picked up at Advertisers Outlets and Distribution Points.

MAGAZINES ARE FREE:

Our magazines are free so they can increase the visibility of your advertisement. You will receive magazines to distribute in your store outlets and businesses.
