## **FUNDRAISING OFFER FOR CLUBS**

We do understand how challenging it is for clubs to raise money for activities or assist athletes or keep costs low.

We help clubs in their fundraising activities or to generate additional income.

We created an Advertisement Program with an interesting Income-Sharing.

Once part of the program, you will receive a Promo Code that will pay you 40% of all your advertisement sales in any of our magazine titles.

As an Advertiser Partner, you can offer reduced special rates and upcoming offers only available to our partners.

Your club most likely has members with businesses, or employed in businesses interested to advertise at low cost, or simply interested to support your club while being recognized for their advertisement.

As most advertisements are monthly subscriptions, you will be paid monthly your 40% commission every month on your sales until canceled.

Request your Promo Code to become an Advertiser Partner by email at :
